Dear Ray,

Thank you for offering your time and expertise at the Committee for Melbourne's Future Focus Group Induction Weekend 15 -17 February 2008.

The feedback we received from participants showed that they appreciated the direct application of your talk concerning leadership, communication and team building and came away with skills they can build on.

Ray, once again thank you for your time and we look forward to further collaboration with you and Leading Teams Australia in the future.

Yours sincerely,
