Dear Mick

On behalf of the Orbost Secondary College staff, thank you for your work in introducing us to the processes of peer appraisal and the establishment of our 'Trademark'.

Your presentation and interaction with the staff has assisted in their acceptance of the process and I look forward to Orbost Secondary College continuing to improve as a consequence of what is now being seen as a valid part of P&D Culture.

Personally, I have appreciated your support thought out our association.

All the best in your return to Grovedale.

Yours sincerely

HEATHER MACALISTER
