Dear Garie,

**Re: TEAMelbourne Captains' Leadership Luncheon**

I am writing to thank you for supporting our inaugural TEAMelbourne Captains' Leadership Luncheon on Monday 8 September, 2008 as a guest speaker.

The luncheon was a success and the feedback from guests has been positive. Your knowledge and experience are to be commended as your speech was both engaging and relevant to business leadership.

Once again, many thanks for your time and enthusiasm and good luck with your commitments for the remainder of this year.

We look forward to working with you again.

Kind Regards,
